

SAMPLE PROGRAMME

A Total Singapore Experience – 5 Days / 4 Nights

DAY 1

Welcome to the Lion City

Be greeted by ladies dressed in our national costumes and adorned with fresh orchid garlands. At the hotel, a welcome letter and gift awaits you, compliments of the Singapore Tourism Board.

Welcome Dinner

At CHIJMES, guests will be treated to a theme function within the premises of this gothic architecture set amidst the history of Singapore, right in the heart of the city. Sip cocktails on beautifully manicured lawns overlooking the fountain and listen to harmonious music from a string quartet throughout the entire evening.

DAY 2

Morning begins

Start the day right at the Singapore Zoo, where an elephant waves its trunk in greeting and leads the coaches to the picnic grounds. There, a sumptuous breakfast awaits guests along with a charming orang-utan who joins the group. A specially arranged photography session with the animals of the wild captures this memorable morning for the incentive guests.

The day's activities

Continue with a "Traders' Trail" where participants will get to see, feel and taste the real Singapore. There will be prizes and 'sur-prizes' for all participants.

A Total Singapore Experience – 5 Days / 4 Nights

Evening

Enjoy the breeze on a bumboat ride on the Singapore River taking you to Boat Quay. Experience alfresco dining by the riverside, with a wide variety of cuisine to select from. The restaurants, pubs and karaoke lounges have been restored from old warehouses or go-downs. Dine and party into the wee hours!

DAY 3

Morning

Check-in to a resort hotel at Sentosa and enjoy breakfast by the poolside before the sun and fun begin.

The participants are split into teams for a mini beach Olympics - a little friendly competition to spur them on. A medal for the winning team will certainly remind them of the wet 'n' wild days.

Visit other highlights on the island by monorail system. These include the Images of Singapore, Fantasy Island, Underwater World, Orchid Fantasy, Fort Siloso, Wonder Golf and many more. You may also be tempted to take a stroll through the nature trails or just simply enjoy the surf and sea, beaches and lagoons.

Barbecue Dinner

Get ready for a feast at the sprawling fountain gardens. A short distance away stands the magnificent 37-metre Merlion Tower that glows in the dark. Retrace the Merlion's legendary trail along the colourful Merlion Walk and be teased by playful water-spouting sea creatures and bells playing well-known melodies. To add to the evening's magic, a spectacular laser show and "dancing" musical fountain are specially created amidst the backdrop of the Merlion Tower.

Dine at one of the icons of Singapore – Raffles Hotel. This beautiful world heritage sits serenely along the busy Beach Road. Let your senses soak in the breathtaking colonial splendour while being entertained by a lively Jazz Band.
